

Combined Solid Waste Management Plan AND Waste Outreach & Education AND Business of Trash-lite Training

Join us on September 10-12, 2019
in Downtown Anchorage

This is a USDA funded, free training and stipends of \$750/person will
be available

Solid Waste Management Plan Refresher

- Work with experts one-on-one to finalize your solid waste management plan.
- The purpose of this part of the training is to work with communities that have already started a plan and receive help to complete or update the plan by the end of the training.

Waste Education and Outreach

- Learn how to enhance your waste education and outreach program.
- In this part of the training, topics will include, identifying goals and audience for program/event outreach and basic info on how to build curriculum for a school recycling program.

Business of Trash-Lite

- Learn the key principles of managing your landfill utility and the science of changing people's waste disposal habits for the better.
