

ATCEM Backhaul Summit Workshop Agenda

Thursday October 14, 2010 - Anchorage, Alaska
Hilton Hotel, Aleutian Alaska Ballroom

ATCEM's Backhaul Summit is designed to bring together environmental project leaders from across our state to have meaningful, structured discussions and to start or improve their community's recycle and backhaul program.

- 8:00am Welcome and introduction by AJ
- 8:20am "Setting the Framework" Implementing and sustaining a backhaul program.
Stan Tomaszewski, Environmental Coordinator, Maniilaq Association, NW Arctic
- 9:00am "Where are you at?" Join a group based on your programs level of backhaul experience and activity and learn how to take it to the next level.
Facilitated by Stan, AJ, Christina, Lynn, Anahma
- 10:00am 20 minute break
- 10:20am "Regional Breakout Session I" Get together with other communities from your region to talk about your program, identify a regional coordinator & make contact!
Facilitated by Stan, AJ, Christina, Lynn, Anahma
- 11:40am 20 minute break
- 12:00pm Panel and working lunch: learn about what recyclers and transportation companies have to offer and what information they need from you.
Moderated by AJ Salkoski
- 1:30pm "Regional Breakout Session II" Get back together with regional groups to discuss new information provided by panel. Invite panel members or staff to join your group discussions.
Facilitated by Stan, AJ, Christina, Lynn, Anahma
- 2:30pm Review and evaluation
