It is the intention of RACEJT to secure the travel funding necessary for all students to attend the program. If accepted into RACEJT you may be asked to complete a scholarship application to your regional Corporation, Regional Coastal Program, or other Community Development Programs offering training assistance. This is to help cover your costs of the program and allows us to provide full scholarships for those unable to obtain outside assistance.

PHONE INTERVIEW

You will be contacted within 5 business days of application receipt and if you qualify, we will schedule a phone interview. The interview will last 20 – 30 minutes and will consist of basic, non-technical questions. The purpose of this interview is to make sure that the program is a good fit for you and you for the program, this year.

If you have a potential employer, please arrange for them to attend (by phone or in-person). If your future employer cannot attend the interview, they must provide us a letter stating their commitment to hire you. **This letter is due no later than December 8th, 2024.** Without employer attendance or a commitment letter, you will receive a lower-ranked score during the selection process. If you have questions concerning this policy, please contact us.

To screen everyone and complete the selection process by January 2nd, 2025 we need to contact you right away to schedule your phone interview. **It is critical to provide a working contact number** or message phone and/or working email address that we can use to reach you. We must be able to read your contact information easily.
