The RACEJT Program and Zender Environmental Health Group are Equal Opportunity Employer/Programs.

Auxiliary aids and services are available upon request to individuals with disabilities.

EXPERIENCE GAINED: RACEJT offers a comprehensive education with 20+ certifications and classes, and experience in leadership, teamwork, computer software, and job readiness skills. Graduates receive a RACEJT diploma and are qualified for many job positions, including Waste collector, Landfill operator, Contaminated site worker, Tank inspector, Brownfield technician, Recycling Center Manager, and many others.

COLLEGE CREDIT: Earn 10 University of Alaska college credits and an Occupational Endorsement as a Rural Waste Management & Spill Response Technician.

RETENTION & PLACEMENT: RACEJT has an 84% retention rate and 98% job placement rate. Job search and retention skills are taught, and placement assistance is provided.

ELIGIBILITY: RACEJT is open to under employed rural Alaska residents. Our goal is to place graduates in a local job position that helps to protect community environmental health. Applicants with strong potential to secure local or regional employment will receive priority program acceptance. More detailed criteria on our website.
